It is hard to believe that this was the 5th golf tournament in memory of Amanda. Once again this year was a great event and the rain did not dampen our spirits. We are always amazed at how many people come back year after year from as far away as Peterborough. Thank you all so very, very much to friends old and new, near and far who came to out. A special thanks to Barry and Jim who make the tournament happen and all the people who work behind the scenes to make it such a huge success. Here are a few pictures and I will post the rest as they come in.

Look for more pics. and the amount raised in the Sept. update. Bye for now Lynn
