

Waterloo Region Paramedics
“Paramedics Basketball Benefit”
Featuring
The Canadian Half Pints

On December 28th, Waterloo Paramedics hosted and played two terrific games with the Canadian Half-Pints at Rim Park. This team is known as the world’s smallest and funniest basketball team, with an average height of 4’2”. They have played over 3,500 games and travel across North America spreading their message it is OK to be different and promoting their “Don’t Tease” program to thousands of students in over 4,000 schools.

Many thanks to Rob Crossan, the teams, Ed Ireland and his staff, and everyone who came out to support and enjoy this fun family event. It was a huge success raising \$3,000 for the bursary fund.

*The Canadian Half-Pints
"Making the Impossible Possible"
Believe in yourself
Never give up on your dreams
Persist until your dream becomes a reality
The impossible dream becomes possible through constant and never ending
improvement
Believe you're a winner and you will be a winner in life*

Amanda lived her life by a very similar philosophy: she had no tolerance for unkindness, she believed each person should be treated with respect and worked tirelessly to make her own dream of becoming a Paramedic come true.
