

## *They Passed This Way*

*Their light will shine for all to see  
They will take their place on our family tree  
Something special set them apart  
Their gentle ways and caring hearts  
They enriched our lives and made us smile  
They walk beside us every mile  
They passed this way and went ahead  
We live, we love, we wait  
Until we meet again at heavens gate  
Gary and Amanda Passed This Way  
They live on, in our hearts each and every day*

*In memory of Gary Williamson, Amanda's cousin, who was killed by a drunk driver June 2002. He was 23 years old.  
L. Finch 2004*
