

We Believe in Angels

June is dedicated to all our special angels in heaven and the angels we know who walk among us. I am thinking of Gary and Amanda our angels of remembrance, and Lisa our angel of courage here on earth. Lisa graduates from Western on June 9th after five, long, hard years at university. Despite Amanda's tragic death last July, she kept on going, one step in front of the other on an incredibly long and (the past year) lonely journey and never lost sight of her dream to become a teacher. God Bless the child who never gave up.

We are so proud of Lisa and we know Amanda is too. Amanda would bring Lisa iced cappuccino's from Tim Horton's as she studied late into the night. She called her "Big Sis" or "Miss Finch" and on June 9th it will be official. Congratulations Lisa, enjoy every moment as you continue to make memories. Keep on caring and always remember why you teach – to make a difference. Amanda may not be with you physically but I know when you go out into the world, you will be holding hands and sticking together as you always did. Make a wish, take a chance, and watch your dream come true.

Love always, Mum, Dad, and Mandy who is always in our hearts.
