

Jana and Luke

Sincere thanks to Jana and John Blythe and Luke McCann for their hard work and organization of the first 911 hockey tournament held at Rim Park.

Luke gave a heartfelt tribute to Amanda at the dinner and once again we were overwhelmed and so very proud, as Amanda was of her "other" family."

When Amanda died, we asked God to help us. He sent us family, friends, neighbours and Amanda's EMS family. The events and tributes over the past 15 months in honour of Amanda have been nothing short of amazing. Thank you to all the teams and to everyone who took part in this wonderful event both on and off the ice. God bless you all for the love you continue to share with our family as you walk beside us in love.

The colours of the rainbow, all happy and bright, would be a good description of Amanda's life. She continues to inspire and share her love with us all.
