

Wilderness

*The wilderness has called us by name
Asking us to bring our sorrow and pain
Lonely and lost we make our way there
We know many people love us and care
It's a journey we have to take alone
Trusting in God to find our way home
As we navigate the unknown terrain
We know our lives will never be the same
As we stumble and fall to our knees
We cry out to God "help us please"
Keeping the faith is all we can do
Knowing one day, God's love and
Grace will make everything new*
