

# *Volley Ball Tournament*

*February 2004*

*Kitchener Collegiate Institute kindly hosted the 1<sup>st</sup> Annual Volley Ball Tournament. The turn out was amazing and the winners, Oxford County EMS, very kindly donated their \$150 prize back to the bursary fund. The runners up, Waterloo Regional Police Div #2 (Cambridge) also donated their prize back to the fund. That is the amazing thing about the Amanda Finch Bursary Fund, people truly give from their hearts and it is wonderful to see so many, come together as a community. In total \$1,500 was raised that day. To complete the day everyone met at Zekes for dinner and good time was had by all. A special thanks to Rob Crossan and the bursary committee for a great event.*
